[Summer Girl](#) | Feature | Comedy, Romance

Aug 2022

Allen, a mid-20s screenwriter adapting an Ian Fleming-esque novel to the silver screen, receives help in his love life and his writing from an imaginary friend that only he can see – the novel’s brazen & cheeky protagonist, MI-6 agent Peter Swift. Hijinks ensue.

- Comps: *JoJo Rabbit* (2019), *Play it Again Sam* (1972), *Her Alibi* (1989)
- Traits: Smart dialogue, flawed but likable characters, a playful take on a perennially popular genre, allows for poking-fun at the bombastic aspects of the James Bond/Spy genre while still being able to indulge in it, the comfort of a dialogue heavy rom-com but with the structure & pace of a spy movie

[Big Head](#) | TV Pilot | Comedy, Sci-Fi

Feb 2022

After crash landing on Earth, a pop culture obsessed alien begins an unlikely romance with a Los Angeles based taxidermist.

- Traits: A throwback to romantic comedies of yesteryear with a sci-fi twist.

[Spec Script](#) | Rick & Morty

Aug 2021

Against Rick’s wishes Morty meets a voluptuous but domineering alien spider who secretly impregnates Morty with her offspring.

[Silas](#) | Script (Filmed Short) [Featured in SeriesFest Film Festival May 2023](#) | Nov 2021

After her prom date dies in a car accident, a high school girl ROSE tries to reconstruct the body parts of her dead boyfriend SILAS to finally have that prom night that fate took from her.

Ziggy Starfish | Script (Filmed Short)

Jan 2021

A teenage girl on the verge of attending college is suddenly reunited with her imaginary friend from childhood.
